QUESTION

- 1) **The number of crimes reported to the police in each of the following categories for 2019 and 2012:**
 - **Anti-social behaviour**
 - **Bicycle theft**
 - **Burglary**
 - **Criminal damage and arson**
 - **Drugs**
 - **Shoplifting**
 - **Other theft**
 - **Public order**
 - **Robbery**
 - **Violence and sexual offences**

- 2) **The number (or percentage) of such crimes successfully detected by the police in each category. By “successfully detected”, I mean those crimes where the culprit (or culprits) has been identified and some set of formal actions has been taken by the police against that person.**

ANSWER

Following your letter, please find a PDF document in response to your query. Avon and Somerset Police have included the following explanatory notes to the data:

- Anti-social behaviour is recorded as incidents on STORM. There is no data for 2012 so data for 2015 and 2019 has been included instead
- Crime stats for 2015 has been included as well so as to be in line with the ASB data
- Cautions, drug warnings and community resolutions as well as charges have been included for positive outcomes
